1	Christel House India*	Child Welfare, Education	Bangalore	Listed	To help children around the world break the cycle of poverty and become self-sufficient, contributing members of society.	Christel DeHaan, founder of Christel house, realized that giving money to the shelters and needy families for more food and clothing would make life easier but only temporarily. In the long run, nothing inherently would change. Communities immersed in this vicious cycle of poverty will lack education, nutrition, health care and self-esteem in the long term. Christel House aims to maximize human potential by opening doors of opportunity and support aspirations of children.
2	Grace Peter Charitable Trust	Health, Women	Madurai	Listed	To create an empowered and equitable society that enables the less privileged to live in dignity.	The diverse and wide ranging interventions of Grace Peter Charitable Trust include health, education, childcare, environment protection, water conservation and economic empowerment of women. The Trust began in the year 2000 and is currently spread over 82 villages in Madurai West Block of Tamil Nadu. Mr.S.R. Vijayakumar, Managing Trustee of Grace Peter Charitable trust, is a retired headmaster of government higher secondary school and has received the state "best teacher" award by the Government of Tamil Nadu for his excellent services in various fields.
